

NOOSHI BLANKET

NOOSHI blankets are our favourite
multifunctional *MUST HAVE*

and will be loved by all family members for many years.
Perfect for wind and weather, journeys and adventures,
beach and shower, mama and baby care,
naps and cosy moments.

Simple as that!

A good feeling – right from the start!

Our clear idea of the perfect NOOSHI took us on an exciting journey
to find a manufacturer that could meet our high quality standards.

Today our NOOSHIs are carefully produced in the north of Portugal
with 100% organic cotton and in full compliance with the strictest ecological
and social criteria along the entire production chain.

The GOTS label ensures that from the cultivation of the plant to dyeing,
confectioning and packaging every step is monitored.
